VFC Overview

The VFC hockey program is open to all skill levels. Our focus is to create an environment of fun, skill development, unselfish team play and sportsmanship. We want to provide a place where each player can thrive and enjoy the game. We will group players by skill level to ensure that they are placed with like-skilled players, whether they are brand new to hockey or have years of experience.

Key Highlights of the VFC Hockey Program:

1. Skill-Based Team Placement: Players are grouped based on their skill level to ensure they are placed with similarly skilled teammates, whether they are beginners or seasoned players.
2. More Ice Time: With 2 half-ice practices per week, players get increased opportunities to improve their skills on the ice.
3. Weekend Games: Teams will play 1 to 2 games per weekend against local clubs, typically within a 1-hour radius of Oaks. Tournaments and showcases are not included in these weekend games.
4. Goalie Coaching: For goalies, VFC Mites provides specialized coaching during practices to develop essential skills.
5. Affordable & Flexible: The VFC program is known for being one of the most affordable options in the area, offering great value with a solid practice-to-game ratio and multi-player discounts.

Why Choose VFC?

- Ice Time: Players get the chance to hone their skills with more time on the ice than other local clubs might offer.
- Affordability: VFC offers a great deal when it comes to both costs and ice time, providing the best value for your investment.
- Player Development: With different levels of teams available, your child will be placed in the right environment for growth and enjoyment.
